PETITION FOR NEGROES.

Russian Ambassador Urged to Send It to the Czar.

London, July 11.—The Russian ambassador in London, according to the Catholic Herald, has refused to receive a petition relative to the treatment of negroes in the United States and forward it to the czar, as requested by the Catholic Herald.

The petition draws attention to the "increasing outrages on negroes, accompanied by appalling brutality," and urges the Russian government to make representations to Washington asking the authorities there "to take steps, in the interest of civilization and humanity, to suppress the growing evil."

The ambassador says the matter is outside his purview and that he cannot, therefore, move therein. The Catholic Herald says the petition will be sent direct to St. Petersburg.

Shamrock III. In Dry Dock.
New York, July 11.—Shamrock III. was taken into dry dock in Erie basin and her underbody sandpapered preparatory to giving her a new coat of paint. The paint had partially peeled off, probably affecting her speed somewhat. Shamrock III. will remain in dry dock until Sunday and will go down to Sandy Hook either Sunday night or Monday morning. Shamrock I. is lying in Erie basin and will not be taken into dry dock.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain lacks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
